Complete this application for registration as a spectacle dispensing optician or contact lens dispensing optician in accordance with the Opticians=Registry Act, Texas Occupations Code, Chapter 352 (the Act). The Act provides for a **voluntary** system of registration of dispensing opticians in Texas. It is not mandatory under state law that opticians maintain registration under the Act; however, a person may not represent to the public that the person is a *Registered Dispensing Optician*, a *Registered Spectacle Dispenser* or a *Registered Contact Lens Dispenser* unless the person is registered under and complies with the Act.

State law **requires** a permit issued by Texas Department of State Health Services in order to sell, deliver or dispense contact lenses to consumers in Texas. Registration as a dispensing optician under the Opticians=Registry Act does not constitute compliance with the permit requirement in the Texas Contact Lens Prescription Act, Texas Occupations Code, Chapter 353 (effective January 1, 1998). For more information about the mandatory contact lens dispensing permit, call the telephone number shown above.
